

Take 128/ I95 north. When I95 and 128 split stay on 128 and take the first exit after they split. That is exit 38 off of 128 North to Centennial Dr. and Forest St. Go left on Centennial Dr. back over 128. Go right on Forest St. You may or may not see a Summit St. sign but follow to Lowell St. and take a left on to Lowell at the tee intersection. At Prospect and Lowell bear left staying on Lowell. Baldwin St. will be on your right in about .5 miles. 28 Baldwin is a light brown house with a brick front and is the second house on your right.
